VO At Curtin, we're fascinated with all things health.

Like how your brain can't decipher this...

SFX: *We hear an indecipherable garbled message. It is the spoken phrase, "Study Health Sciences at Curtin", with an audio effect placed upon it.*

VO: Unless I tell you that it actually says, "Study Health Sciences at Curtin".

SFX: *We hear the same garbled message. Only this time, as we have just heard the original unaltered phrase, we can now comprehend it.*

VO: With a wide range of professionally recognised courses to choose from, you'll discover more awesome things just like this.
