*Concept: We fade out the audio toward the end of each sentence.
This simple trick will make the listeners' ears prick up, and they lean in to listen.*

CUE	AUDIO
Female	That barbed wire tattoo you got in Bali that <small>time after too many pinocoladas...</small>
Male	The 2013 Dockers Premiership you confidently got <small>tattooed before the big game...</small>
Female	That old boyfriend that wasn't forever <small>as it turned out and who knew he's be such a dick?...</small>
Male	The career-limiting neck tattoo of the Celtic <small>serpent which seemed like such a cool idea at the time...</small>
Female	The Chinese symbol that DOES NOT MEAN <small>what they told you it meant and actually says something quite rude...</small>
