

Title: Coopers Premium Light Local Legend – Glen Richards

VO: Every sporting club has its founding members, but guy actually laid the foundations.

GLEN: Well, I'm a builder, so we built the bloody building, didn't we?

VO: The legendary Glen Richards O.B.E.

GLEN: Yeah, Over Bloody Eighty.

VO: And decades later, the Glen Richards designed Clarendon Bowls Club is still standing strong.

GLEN: I made sure the bar was nice and big.

VO: He's lived in Clarendon his whole life and eats, sleeps and breaths bowls. One day, he may even win a game.

GLEN: I was runner up one year and there was only two members.

VO: Win or lose, he's a club man...And occasional club woman.

GLEN: I've played for the ladies team, oh yes.

VO: Your secret's safe with us Glenys, just stay away from the BBQ.

GLEN: I make sure I don't burn mine.

VO: Whether he's overcooking his shots or our snags, he's a Clarendon Bowls Club legend, and no one deserves the legendary taste of Coopers Premium Light more than Glen Richards...Over Bloody Eighty.
