## **SJA0142\_Dental\_1987**

You were in school when Wonderwall came out, even before Ellen did.

Your undercut was fly.

Your flanno was stylin'.

And Buffy gave you a reason to live, until there was Clint.

Clint looked like the oldest one from Hanson, and you sealed the deal over a packet of Hubba Bubba.

And though you've not thought about Clint since he took Jennifer Jackson to the school ball, your right molar is still holding on to that Hubba Bubba.

Is it time you went to the dentist?
