MVO2: How are we? (*conversation continues under*)

ANN: At CD Dodd we recycle metal.

So we recycled some nineties metal musicians to create our new jingle.

MVO1: It's been awhile mate. Great to see you.

MVO2: When did I get from that point where I was like, muso to you're old.

MVO3: You guys got earplugs?

MVO4: Yeah I have actually, I should...

MVO3: Nothing like a bit of growl in the morning.

Alright, well let's jam some.
