Chopsticks

We hear the creaking of a piano seat and a kid exhaling in preparation.

Dad: **Go on, honey... play for us...**

We then hear a child tentatively playing chopsticks on the piano. It's not the most incredible rendition.

Dad: (Interrupting) **Hey hey, sweetheart... Don't forget, uncle Terry is here... you know...The one with the Tiguan**

We hear the kid clear her throat then begin to play [Chopin – Étude Op. 10 No. 4](#) at lightning speed.

VO: **Everyone knows Volkswagen drivers expect a little more.
And with a driveaway price of \$35,990, plus a 5 year unlimited KM warranty on the Tiguan Trendline, why wouldn't they?**

VO: **Conditions and exclusions apply, visit [Volkswagen.com.au](https://www.volkswagen.com.au).**
