Disappointment is the tissue in the washing machine.

Disappointment is a flat computer battery with unsaved changes.

It's moving back in with your parents.

It's waking up on a Friday, on a Thursday.

It's their "thanks" after your "I love you"

It's the following interaction: "hi, how are you?", "good you?", "yeah good you?".

It's only 5 likes.

Disappointment is the orgasm that was supposed to happen during the infamous second session.
