

Title Valentine's Day - One And Only

SFX: Clearing throat. Paper rustle.

MVO Your eyes are open.
Your hair is growing slowly.
Your lips are talking.
You are the reason I have to buy a Valentine's card.
Without you, who's going to make the bed?
You are my one and only girlfriend.
Because you are simply there.

ANN: Need help expressing your love this Valentine's Day?
