

VB NEW KNOCK OFF TIMES – CHEF :30

SFX: Restaurant kitchen atmos.

WILLIAM: The midnight knock-off.

**While some are counting sheep
You're busy cooking them.**

**You've been slicing.
Dicing.
Searing.**

MUSIC: VB music fades in

**Feeding the fussy eaters,
The menu modifiers,
And wannabe food critics.**

**But once the last table's been cleared,
And the final dish has been stacked...**

SFX: Stubbie twist

WILLIAM: Bon appetite.

There are many different knock-off times.

But only one beer.

Victoria Bitter.

VB NEW KNOCK OFF TIMES – FISHING :30

SFX: Fishing atmos.

WILLIAM: The early arvo knock-off.

Fishing's relaxing.
Unless it's your livelihood.

You're up at sparrow's every morning.
Trawling.
Hauling.

Wearing your best old rubber waders.
And a layer of salt.

MUSIC: VB music fades in

By the time morning breaks,
You've broken the back of it.

So when you reach dry land,
Plunge your hand into the esky...

SFX: Stubbie twist

WILLIAM: Catch of the day.

There are many different knock-off times.
But only one beer.

Victoria Bitter.

VB NEW KNOCK OFF TIMES – BAND :30

SFX: Music venue atmos.

WILLIAM: The late night knock-off.

You drove halfway across the state
In a beat-up van
That almost carked it.

Hauled gear up two flights of stairs
To play to a handful of punters,
And a couple of your mates.

MUSIC: VB music fades in

You might be the opening act.
But good luck backing that up.

The moment you step off stage...

SFX: Stubbie twist

How's that for an encore.

There are many different knock-off times.
But only one beer.

Victoria Bitter.
