We hear a lady singing in the shower.

WIFE:

The time is right
Your perfume fills my head
The stars get red
And oh the nights so blue.

BRUCE:

And then I go and spoil it all
By saying something stupid
Like I love you

COUPLE:

I love you.

WIFE:

Ooooooh I love you fluffy.

BRUCE:

Like a little puppy dog (panting).

VOICE-OVER:

Bruce has spent too much time with his wife and needs to spend more time with his mates. Stay a little longer with Carlton MID.
