Client: Motor Accident Commission  
Product: Drug Driving  
Title: Pilot  
Duration: 30sec

**SFX:** Sound of jet engine drone from inside cabin.

**SFX:** "Bing, bing" of PA System, plus Techno music from cockpit.

**Pilot:** "Hello, this is your Captain speaking."

**Pilot:** "We're currently cruising at 33,500 feet..."

**Pilot:** "And you might be interested to know that I'm cruising even higher- thanks to the speed I snorted before takeoff."

**Pilot:** "But there's no need to panic as I can assure you I'm much more alert when I'm on speed."

**Pilot:** "Oh. And so is my co-pilot!"

**Pilot:** (Giggles) "We hope you enjoy the flight as much as we will."

**MVO:** "You wouldn't trust him on drugs, so why would you trust yourself?"

**MVO:** "Don't drive on drugs."

A message from the Motor Accident Commission and the Government of South Australia.
