

St John Ambulance Radio – Bleeding 45 sec Script

CRASH COURSE II (BLEEDING)

SFX: Large waves crashing on a beach.

DAD: Hello?

OPERATOR: Yes I'm here ... ambulance is on –

DAD: Hello? Can you hear me? You keep cutting out!

OPERATOR: Yes I'm here the ... ambulance is on –

DAD: Ok but he is.. uh.. he is losing a lot of blood, and he's gashed he's leg it's uh... it's really deep. Son hang in there the ambulance is on it's way. What do I do?

OPERATOR: Ok ... do you have beach towel or T-shirt?

DAD: Yes, yes, I've got a towel. Should I wrap it- Hello are you there?

OPERATOR: Yes I'm here

DAD: Ok ok should I wrap it or something?

OPERATOR: You need ... take the towel ...

DAD: Hello?

OPERATOR: ...apply pressure to the wound...

DAD: Hello are you there? You keep cutting out? I don't know what to do?!

OPERATOR: ...the towel ...

DAD: Hello, oh please!

FVO: Don't let this be the first time you learn first aid. Contact your local St John Ambulance sub-centre and book a first aid courses today.
