Anncr: That was a great sign-up offer for Internode in Elvish.

If you can translate it, then you're our kind of geek.

Visit internode.on.net

Internode. No other network compares.

***Translation:** I have traveled from Middle Earth to bring you this offer. Use the phrase "hairy footed hobbit" and you'll receive a \$100 credit when you sign up for 24-months to an Internode broadband plan.
