**Title** Valentine's Day - Rest In Peace

**SFX:** Clearing throat. Paper rustle.

**MVO:** Sarah, after fifteen years I still love every little bit of you.  
Even after having kids, you're body doesn't look too bad...  
Your eyes are a stunning blue.  
As blue as the Toilet Duck in our bathroom.  
Your skin is soft and smooth... as smooth as your Dad's bald head.  
May he rest in peace...

**ANN:** Need help expressing your love this Valentine's Day?
