We hear two commentators at the 'Boardwalk Estate' World Snooze Button Championships. They speak quietly as if they are at a golf tournament.

Male Commentator (Phil):

And welcome back to the World Snooze Button Championships, live from the Boardwalk Estate at Point Cook. Morning Lisa.

Female Commentator (Lisa):

Morning Phil. Yes, So close to town, plenty of time to sleep in here.

Male Commentator:

Now here's the American, 'Relaxed' Randy Vaughn preparing for his second alarm.

(SFX: Alarm goes off, snooze button, polite applause)

Female Commentator:

Oh, very clean press. Textbook three-quarter 'rolling slap'....

Male Commentator (interrupts):

Nothin' but button!

Female Commentator:

...and a nice drop-off too, straight back to sleep. Should score well...8.5, 8.5, 9.

Female Commentator:

Yes, get up later at the Boardwalk Estate.

Male Commentator:

Land now selling, call 13 18 52.
