## Car

My car's been playing up recently.

Wouldn't start the other day.

Alternator packed up.

So I got a new one.

...

A new car.

...

Lamborghini.

...

Got my wife one, too.

...

Pretty sweet.

## Neighbours

I live in a pretty nice suburb.

Nice street.

But I've got these really noisy neighbours.

Up at all hours, music bangin' away, parties.

...

So I made some phone calls...

And... bought their house.

...

Everything's pretty quiet now.

...

It's nice.

## Boss

I don't mind my job.

But my boss, mate. He's always giving me a hard time.

Always on my back.

So I chatted to the MD.

Spoke with the board.

...

And I bought the company.

...

So yeah...

he's pretty good now.
