

RADIO SCRIPT 30 SEC

CLIENT: TIGERAIR INFREQUENT FLYERS CLUB

TITLE: Anvils

This is a song of hope for those who don't fly too often.

M: A message to all who don't fly much...

Like anchors and anvils, balloons made of lead,
dugongs and blue whales and dodos who're dead...

F: They will rise up!

M: For average students who never smoked dope,
and all the young couples that wish to elope...

F: Get high with us!

M: So brothers and sisters, let's take to the sky,
'cause with Tigerair...

F: Anyone can fly!

MVO: TigerAir Infrequent Flyers.

TITLE: Sculptures

This is a song of hope for those who don't fly too often.

M: This is a message to all who don't fly much...

Like sculptures and statues and things made of stone,
a pack of coyotes protecting their bone...

F: Just let go!

M: Those on detention for right or for wrong,
old folks on the pension are singing my song...

F: We're born free!

M: Don't worry about money you runaway brides,
wipe off your tears,

F: Together we fly!

MVO: TigerAir Infrequent Flyers.
