

CHANGING LANES

The Jingle Bells tune starts to play. Two kids, a brother and sister, sing. Each one takes a verse and both sing the chorus –

(sung)

Driving down the road (girl)
My brother is a pest
My sister smells like ham (boy)
And Mum and Dad are stressed (both)

(chorus)

Changing lanes, changing lanes
What a big mistake
We're not going nowhere
Now we're stuck in the slow lane!

(chorus)

Mum and Dad, Mum and Dad,
Keep the driving safe
All we want for Christ-mas
Is to get to Christmas Day!
