[Announcer voice]

**Voice actor:** How to identify Siam weed. It's easy...

[Voice turns casual, slightly cross]

**SFX:** Shuffling paper

**Voice actor:** Actually, stop, stop, stop.... Karen, why are we doing radio for this?

[Muttering]

...radio! ...the least visual medium....

[Stops muttering]

[Much more casually]

**Voice actor:** Ok, let's do this I guess. So it's ummmm.... green? ....weedy ...obviously. Pitch fork leaves.... Poisons animals?.... ohh, it's got pinkish white flowers!

[Tone of resignation]

Voice actor: ...Look, you know what, we stuffed up, just Google Siam Weed ....or if you think you've seen it, call 8999 4567 and they'll help you identify it.... Over the phone ....KAREN!
