

Dollar

Server: Welcome to Hungry Jack's.

Customer: Hi can I just get a large Frozen Coke.

Server: Yep sure, that's a dollar thank you.

Customer: How many?

Server: How many what?

Customer: How many dollars?

Server: Ah, just one.

Customer: (Incredibly surprised) One dollar?!

Server: Yeah.

Customer: That's nonsense!

Server: No, it's 100 cents.

Customer: That's a dollar!

Server: That's right.

VO: It's hard to believe you can get a Large Froze Coke for only \$1 on Hungry Jack's Penny Pincher's Menu.

Crying Wolf

Dave: Check it out, Hungry Jack's are selling sundaes for \$1.20.

James: Can't you ever tell the truth?

Dave: What do you mean?

James: First it was the Columbian girlfriend...

Dave: Well...

James: Then the Ferrari for your birthday...

Dave: Yeah but...

James: Now a sundae for \$1.20... How do you expect us to believe that?

VO: It's hard to believe you can get a Sundae for only \$1.20 on Hungry Jack's Penny Pincher's Menu.

SFX: We hear a Ferrari roll up, rev its engine and toot the horn. A Columbian woman screams from the car window with a thick accent.

Columbian Girlfriend: Ola Dave! Did you get my sundae?

Stocked

*Two housemates call out to one another in different rooms.

Dave: Hey mate...

Simon: Yeah?

Dave: Why is the fridge... and the freezer packed with Hungry Jack's?

Simon: Oh you wouldn't believe it, they're giving away Sundaes for \$1.20 and Large Frozen Cokes for a buck!

Dave: So you've put the whole store in the fridge?

Simon: No... check the oven. We're gonna be eating chicken nuggets for weeks!

VO: It's hard to believe the value you can get on Hungry Jack's Penny Pinchers Menu, like 5 chicken nuggets for only 2 bucks.
