**TO:** DRY, UNDERSTATED READ.

**VO:** Britney, the up & coming junior from HR, prides herself on never putting her foot in it. She's so PC.  
But at a recent work bonding event, some wondered if she'd gone too far.

**Britney:** Hey boss. Love the shoes.  
**SFX** BRITNEY LAUGHS.

**VO:** The shoes are just part of the fun at Kingpin.  
Bowling, Arcade games, Laser Tag, Karaoke, and more.

**TONE:** DRY, CLIPPED, UNDERSTAED READ.

**VO** Nina from sales rescues lost cats, offers her seat for others on the tram, and never swipes anyone’s lunch from the work fridge.

But at a recent Laser Tag team building event at Kingpin, she took out the boss, rude Jude from level 3, and the new guy Jeremy - and all without breaking a sweat.

Laser Tag, Bowling, Arcade games, Karaoke, and more.

Party like a king at your next corporate event.

**TONE:** DRY, CLIPPED, UNDERSTAED READ.

**VO** After a 27 year dry-spell, the Yallambie Lobsters cricket team decided to celebrate sporting victory, with a sporty night out at Kingpin Bowling Lounge.

Unfortunately, no one told fast bowling prodigy Midget Michaels that at 10-pin, you send the ball down....underarm.

Maybe next time, they'll try Laser Tag or Karaoke.

Party like a king at your next sporting event.

**TONE:** DRY, CLIPPED, UNDERSTAED READ.

**VO** *Gonna give you all my love boy, My fear is fading fast.*

With those words in 1984, Madonna's *Like a Virgin* mortified parents around the world.

Last week the same song mortified the annual accountants get-together when belted out by tone-deaf accounts clerk, Brad from Nunnawadding.

Karaoke, Bowling, Arcade games, Laser Tag and more.
