## BLACK HOLE

We hear the first ever recording from inside a black hole, recorded by NASA in May 2022, as a profound VO muses:

**The first ever recording of a black hole. Special, isn't it? To discover the universe isn't silent, but vibrating – with energy, stars, you, me and one-thousand thread count sheet sets for only \$119. Made with 100% cotton, hotel-quality, queen size, and only at ALDI Special Buys Bedroom Refresh Sale. [SFX: A snore echos through space] It's special you can buy. This Wednesday, while stocks last at ALDI. Good. Different.**
