Title 'For sporty people who love a little drama' Rigoletto

VO: You.

You love those high stakes plays; those big-ticket days...

And a tete-a-tete with a seatmate who doesn't appreciate

the deflections, deceptions and miss-directions

of the spectacle before you — well...

you lap it all up like a five-storey kitty with a five-mile lake of sweet, sweet milk.

Because you love drama

And if you love drama, you'll love opera.

Title 'For ladies who love a little drama'

VO: You go mad for a crazy love story.

Mighty cliff hangers with manly eye candy — that's your lolly; it's gormless folly but by golly is it good.

You love it theatrical, maniacal; highly excitable...

you get fanatical,

as characters get under your skin —

'knock, knock' you always let them in.

Because, you love drama.

And if you love drama, you'll love opera.
