

Lend a Hand Radio

Outside on a busy street, an angry man yells abuse at his girlfriend.

Angry Man: I've told you, you stupid cow, look at me.....(he grabs her and she cries in fright)
Look at me when I'm talking to you. You know it winds me up...don't you, huh, don't you. And you just...

He grabs her roughly and puts his face up close to her, shaking her as he continues to shout. She cries and pleads for him to stop.

Angry Man: keep..... doing it... over and over again. You bloody...

A male passerby shouts out, interrupting the angry guy's rant.

Passerby: Hey....mate....Hey....Hey c'mon mate.....don't....

The angry man turns his attention to the passerby. The woman whimpers in the background.

Angry Man: What?

Passerby: Don't forget to tell her what a useless little tart she is as well.

V/O: Violence against women. Do nothing and you may as well lend a hand.
Wear a white ribbon on November 25.
