Title: Snooze 2
Duration: 30s

We hear two commentators at the 'Boardwalk Estate' World Snooze Button Championships. They speak quietly as if they are at a golf tournament.

Male Commentator (Phil):

Good morning again from the World Snooze Button Championships, live at the Boardwalk Estate here at beautiful Point Cook.

Female Commentator (Lisa):

Next up is the Russian right-hander, Olga Petrovitch...

Male Commentator:

Here she goes...

(SFX: Alarm goes off, Olga misses her first attempt, crowd hush, frantic slapping)

Male Commentator (deadpan):

Oh dear she's fumbled! She's missed it...(SFX: buzzer changes to radio)...and turned the radio on instead...(SFX: More slapping, radio static)...which she's de-tuned...

Female Commentator:

Olga wide awake now. Tragedy for the Russian...

Male Commentator (deadpan):

Oh dear, now she's re-set the time...

Female Commentator:

Well, so close to town but *she* won't be getting up later at the Boardwalk Estate.

Male Commentator:

No, land now selling, call 13 18 52.
