Protect Ningaloo

Radio #1

Industrialised Ningaloo – Version 1

*SFX: The light lapping of waves on the beach as a diver surfaces.*

**VO:** Diving on reefs teeming with marine life.

That's Ningaloo!

*SFX: A faint industrial sound begins to get louder and louder*

**VO:** Seeing majestic whale sharks glide through the ocean,

That's Ningaloo!

*SFX: The drone of a ship dragging a pipe starts up, forcing the VO talent to project their voice over the noise.*

**VO:** (Now yelling and getting hoarse) Discovering dugongs, manta rays and humpbacks...

*SFX: Industrial sounds fully take over and become super loud. Cut to a second of silence. The light lapping of waves on the beach returns.*

**VO:** If this Ningaloo doesn't sound right to you - tell Mark McGowan to stop Subsea 7 in the Gulf.
