

RADIO SCRIPT 30 SEC
CLIENT: TIGERAIR INFREQUENT FLYERS CLUB
TITLE: Penguins

This is a song of hope for those who don't fly too often.

M: I have something to say to all who don't fly much...

Too many of us flightless, our wings cut short,
like penguins and emus and birds of that sort...

F: You're god damned right!

M: Struggling musicians, no jet of our own,
and those on the dole, and those who are broke...

F: No more staying down!

M: If flying is something you think you should do,
welcome aboard...

F: This club is for you!

MVO: TigerAir Infrequent Flyers.
