**BED:** V – The Production Library. V Chills 1. Track 9 “Liteness & Dark”

**Ancr:** Ladies and Gentleman of the Gold Coast... Strike... Action...

Seek entertainment with balls. Maybe you'll knock some pins down... maybe you won't. Maybe you'll bowl a gutter ball. Maybe you won't...

Appreciate strikes when they happen. Regale them a fist pump, a high five, or a “who's your daddy” dance move... because you never know... when your next Strike will be.

Listen. Above all else, heed these three words ...

Strike. Bowling. Bar.

**MV:** Now open Circle on Cavil. See [strikebowlingbar.com.au](http://strikebowlingbar.com.au).

**BED:** V – The Production Library. V Chills 1. Track 9 “Liteness & Dark”

**Ancr:** Ladies and Gentleman of the Gold Coast... Strike... Breaker...

Ten Pin Bowling is thirsty work. Quench yourself with a cleansing ale, a glass of wine... or if someone else is paying, a top shelf cocktail, or better yet, two.

Do not buy rounds. Trust me on this... cause when it's their turn to shout, there'll be a phone call, a toilet stop, or who would've guessed, it's their turn to bowl.

And remember... too much alcohol makes ugly people, beautiful.

Strike. Bowling. Bar.

**Ancr:** Ladies and Gentleman of the Gold Coast... Strike... Out...

Break the party mould. Say goodbye to lame office parties where the only thing to do is photocopy your backside.

Strike Bowling Bar gives you options. Try Strike Karaoke once, but leave them wanting more. Try Strike Pool once, but leave before you are beaten. Dance... like nobody is watching. The Strike DJ is playing.

Always remember...

Strike. Bowling. Bar.

**Ancr:** Ladies and Gentleman of the Gold Coast... Hunger... Strike...

Whatever you do, forget greasy burgers and undercooked fries... they will only make you fat.

Eat plenty and often. At Strike, it's easy. Gourmet food. In house chefs. Flavours that bowl you over. Canapés, hors d'oeuvres, appetizers... they're all big names, for small food.

Ten Pin Bowling has never tasted this good.
