**Anncr:** That was a great sign up offer for Internode in  
Klingon.

If you can translate it, then you're our kind  
of geek.

Visit [internode.on.net](http://internode.on.net)

Internode. No other network compares.

**\*Translation:** Greetings, puny earthlings. Use the phrase "make war, not love" and  
you'll receive \$100 credit when you sign to a 24-month Internode  
broadband plan.
