*When your mate returns from the bakery without tomato sauce  
 When your partner packed the picnic but forgot the knives and forks  
 Your order was a Pale but you got a Summer Ale  
 It's all good, Its all good, it's all good*

*Some stuff in life you worry 'bout and other stuff you don't  
 Like when your mate's too drunk to drive, well that, you can't let go  
 Just call a ride or let 'em hit your couch for the night  
 Cause drink driving; it's all bad, it's all bad*

*Yeah, they'll snore the whole house down  
 And ya won't impress the wife  
 But you'll be sleeping soundly cause you prob'ly saved a life  
 When you said, "MATE...It ain't all good. It's all bad.*

**VO** Don't let your mates drink and drive.  
 Drink driving? It's all bad.
