Voice Over Some things are hard - like listening to rap

SFX Yo' I cant carry a tune in a bucket
So I just shout and yell and shake my Bling Bling

Voice Over And some things are easy - like eating your two serves of
fruit and five serves of vegies you need for good health -
and if you don't eat you're 2 & 5 every day we'll start
playing jingles like this...

SFX Dont you be dissin' the fruit that you're missin'
Start gnashing your mandibles down on some vegetables
Hey stop livin' so close to the edge
Just eat 2 fruit and all 5 of your veg.
