Title: Ballad

Song:

I gotta feeling deep inside of me
Coz you got the cutest rumpus room I've ever seen
Ooh baby, you know your double glazing turns me on.

I wanna smell your ensuite bathroom
I wanna kiss your feature wall
I wanna feel your fluffy shag pile
And run naked down your hall

I gotta let you know, you're more than just a house,
You're a three bedroom Bungalow, whoa, whoa.

(Guitar solo)
